INTRODUCTION

- Established in Jubail, **Power Zone Trading Est.** is a trusted name for **industrial material trading solutions.**
- Our expertise covers **mechanical, electrical, process and instrumentation** materials.
- We provide **equipment and spare parts** for various industrial sectors
- We provide **customized solutions** for **obsolete materials and equipment.**
- Backed by a **global supplier network** for reliable sourcing and delivery, we offer competitive pricing and exceptional customer service.
- Our goal is to deliver **efficient, cost-effective, and sustainable solutions** to help clients enhance their operational performance and productivity.

MAJOR VENDOR LIST

	Saudi Basic Industries Corporation (SABIC) Vendor Code : 504303
	Saudi Aramco Vendor Code : 10060289
	Ma'aden Vendor Code : 9650
	Saudi Aramco Total Refining & Petrochemical Refinery Vendor Code : 12749
	Saudi International Petrochemical Company Vendor Code: 103460
	Power & Utility Company for Jubail & Yanbu Vendor Code : 5225
	Saudi Energy Vendor Code : 2010783
	Saudi Chevron Phillips Company Vendor Code: 131125

	Saudi Iron and Steel Company: Hadeed Vendor Code: HD-54303
	Saudi Aramco Jubail Refinery Company Vendor Code: S11402275
	National Industrialization Company Vendor Code: 104761
	AIR LIQUIDE ARABIA LLC Vendor Code: L000155
	Farabi Petrochemicals Vendor Code: 8000803
	Gulf Stabilizers Industries Vendor Code: 1161
	Saudi German Company Vendor Code: OC16224
	Al Tuwairqi Group Vendor Code: 2001927

**CHANNEL PARTNERSHIP
&
GENERAL STOCKIST**

CHANNEL PARTNERS

- ABB Motors & Drives (IEC Standards)
- BALDOR Motors (NEMA Standards)
- DODGE Mechanical Power Transmission Products
- EA TECHNOLOGY Partial Discharge Surveying Systems

STOCKIEST / SUPPLIERS

MILWAUKEE VALVE

Neles
Jamesbury

- Valves, Transmitters, Instrumentation
- Transformers (Power, Rectifiers)

DETAIL PRODUCT LIST

Motors and Generators

Transforming industry with energy-efficient motors and reliable power generators

Product portfolio

High voltage induction motors

IEC Low voltage motors

NEMA Low voltage motors

Generators

Synchronous condensers

Synchronous motors

MV Titanium

IMD - ABB Integrated Motor Drives

Customized Solutions

Power Zone can customize standard electric motors to meet Customers' specifications. Optimizer is an online tool that helps to find the optimal electrical motor for any MEPS worldwide.

Find motors

MEPS <small>[Required]</small> ?	Efficiency class	Frame mat.	Motor range	Family
Select MEPS <input type="text"/>	All types <input type="text"/>	All frames <input type="text"/>	All motor ranges <input type="text"/>	All families <input type="text"/>
Ex protection	Hide Outside MEPS	Voltage	Frequency	Speed
All ex protections <input type="text"/>	No <input type="text"/>	All voltages <input type="text"/>	All frequencies <input type="text"/>	All poles <input type="text"/>

Power Quality Assessment Products

24 x 7 analyze, detect and ensure reliable power delivery for Switchgears, Cables, Transformers, Motors & Generators, Transformers

CONTINUOUS ON-LINE MONITORING

OFF-LINE TEST INSTRUMENTS

Hitachi Energy

Capacitor units

Capacitor banks

Transformers & Shunt Reactors

Cold shrinkable cable accessories (Terminations, Joints)

Shielded Separable connector (72.5 kV)

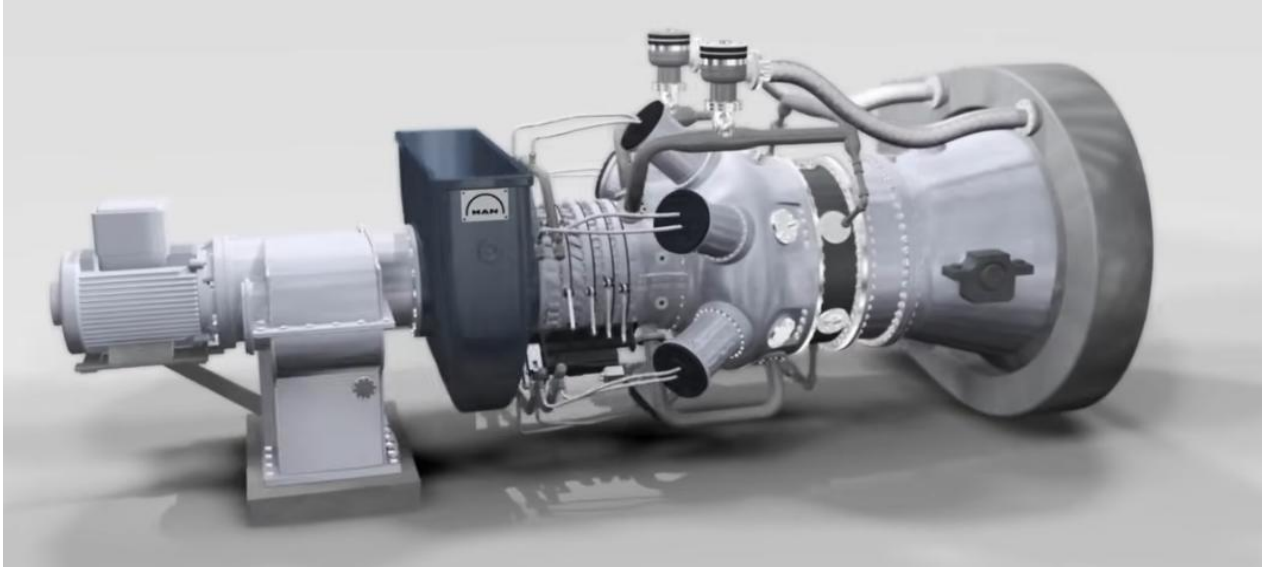

MV Capacitors & Filter Bank

Cable Accessories from 12kV upto 145kV

TURBINE SPARE PARTS

MODELS

GE – Heavy Duty	5P, 6B, 6FA, 7E/EA, 9E, 9F
GE – Aero	LM2500 / SAC, LM6000 / +

MODELS

Siemens – Industrial	SGT 100–400, 600, 700, 800
Siemens – Large Frame	SGT5-2000E, SGT5-4000F

MODELS

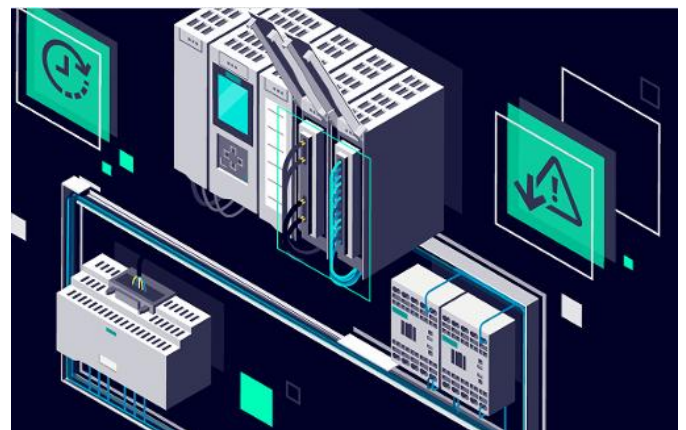

MHI	701F3 / F4 / F5
-----	-----------------

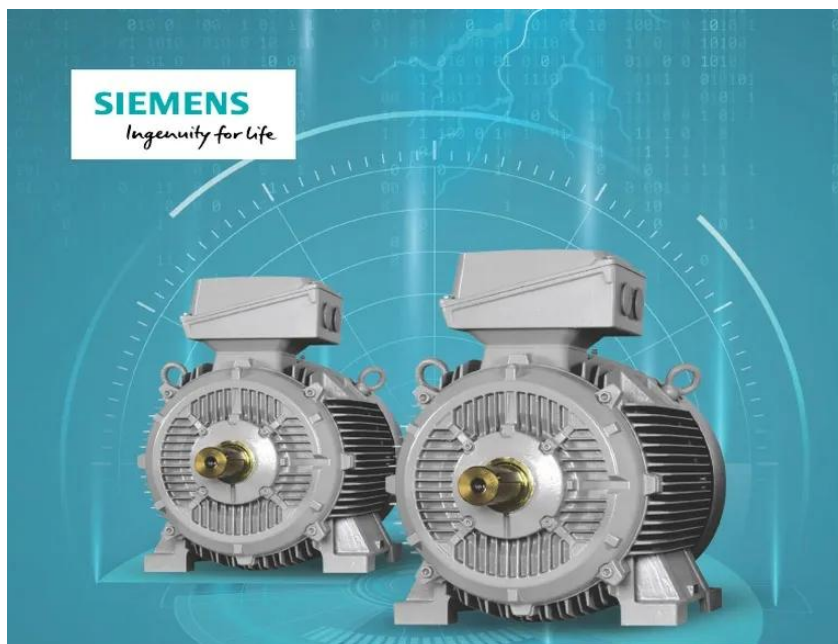

SIEMENS

VARIABLE FREQUENCY DRIVES

INDUSTRIAL CONTROL & AUTOMATION

MV, LV MOTORS

Mechanical Power Transmission Products

Mounted Bearings
Fully-assembled bearings.

Mechanical Drives, Couplings, & Conveyor Components

Enclosed Gearing
Engineered for reliability

IIoT Technologies

Complete powertrain condition monitoring for your operations

**BAAS Valves is the first
Industrial Valves
Manufacturer in KSA.**

SAPAG **GACHOT®** **MONOVAR®** **CLASAR®** **FAMAT** **RMI Dubex®**

MONOVAR® Energy Dissipation Valve

SAPAG® JMC Resilient Seated Butterfly Valve

SAPAG® JHP High Performance Double Offset Butterfly Valve

CUSTOMISED SOLUTIONS

Power Zone offers **custom solutions** for the following equipment / spare parts.

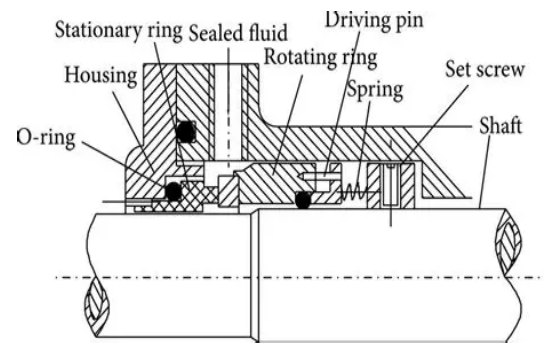

1. Mechanical Seals

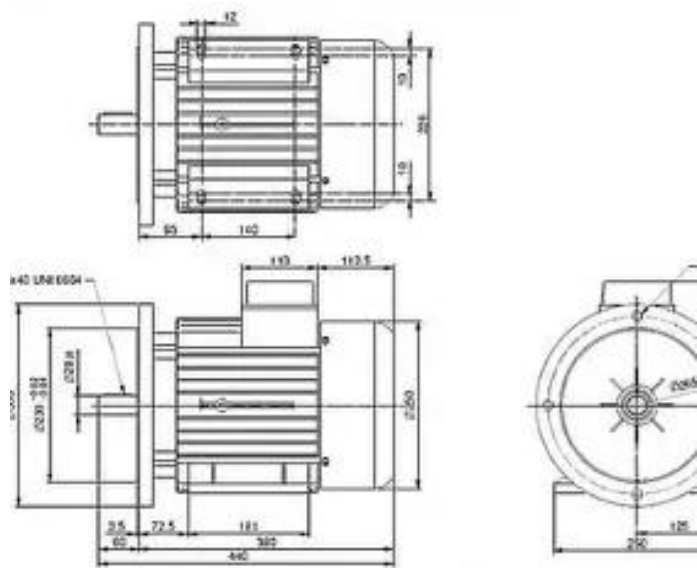

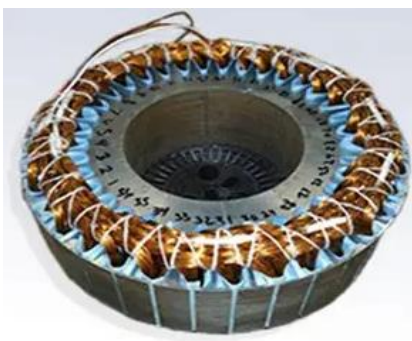

Before Service

After Service

2. LV / MV Motors

OBSOLETE SPARES SOLUTIONS

1. Power Zone offers **custom solutions** for obsolete materials and spare parts.
2. We **source rare components** through a global network.
3. We provide **reliable, cost-effective alternatives**.
4. Our solutions **reduce downtime & extend equipment life**.
